# This is how the
TEAM MOOD TRACKER
works

Remote team members have the daily choice where to work. Their projects need to be finished on time and budget - but they have limited face-to-face communication because of not being physically around.

If I know how my team members feel, I can address issues before they become critical.
TEAM MOOD TRACKER's
IMPACT ON YOUR PROJECT

✓ Increase your knowledge about your team's mood

✓ Know earlier than ever before when your project is at risk

✓ Be able to intervene in a timely manner

✓ Save time by finding out the pain points earlier

✓ Focus more on actually leading your team and project
WEEKLY MOOD TRACKINGS MAKE YOUR IMPROVEMENTS VISIBLE.
